UNIVERSITY of
STIRLING

WELCOME

About

At Planet One, we believe that education is one of the biggest enablers of transformation. It is key for human development and serves as the core of every socioeconomic development programme across nations.

Through our solutions, we are aiming for greater efficiency in the education system, serving as a viable platform for rapid socio-economic growth. We are focused on unlocking the immense potential of the human mind. With this goal in mind, we are committed towards nurturing a world-class education system that can have a positive impact on societies across the globe. This commitment has helped us become the preferred partner of Governments for end-to-end education solutions.

We believe in an educational system that can inspire young minds, helping them navigate through life's challenges with distinction. Our courses are tailor-made to meet immediate employment shortages faced by nations. We also focus on rural employment and women empowerment. Our unique and advanced learning systems stimulate creativity, transforming young learners into responsible citizens who are willing to become pillars of the nation-building process.

Our partnerships with Governments have helped transform their education systems. The end result is the creation of human capital capable of contributing to the nation's long-term growth.

We continue to focus on providing transformational education that lays down the framework for transforming nations.

Head of Institution & COO's message

Dear Recruiter,

I am pleased to introduce the final year batch of University of Stirling and SQA. The programs have been developed with the intention of preparing experienced professionals with new job skills.

The programs we offer aims to train and transform specialized managers who can lead organizations in challenging times, where the boundaries between the private sector and academia is changing constantly and we have emerged as a leading university program in UAE that enables students to deliver on this expectation.

It is our continuing endeavor to keep abreast of the challenges and opportunities in the world of business, engineering, and computing fields. Based on our research as well as the feedback, we have been fine-tuning the program in terms of pedagogy, structure and have been introducing skill enhancement certification courses, with a view to providing industry inputs, contemporary business knowledge and insights as well as practical experience.

The cross-cultural learning in the classroom is phenomenal as the programs have students from different countries and diversified cultures across various programs.

I am confident that this group of professionals will be the torchbearers of your organizations and I recommend them enthusiastically for your consideration.

Dr. Richa Arora,
Head of Institution and COO
University of Stirling and SQA,
RAK - UAE Campus

Manager - Student Placement & Internship

Dear Recruiter,

The modules have been developed with the intention of preparing the young talents with professional skills to add value to the world economy. The programs we offer aims to train and transform young minds who can lead organizations in challenging times, where the boundaries between the industry and academia is changing constantly and we have emerged as a leading university program in the UAE that enables students to deliver on this expectation.

It is our continuing endeavour to keep abreast of the challenges and opportunities in the world of business, engineering, and computing fields. Based on our research as well as the feedback, we have been fine-tuning the program in terms of pedagogy, structure and have been introducing skill enhancement certification courses, with a view to providing industry inputs, contemporary business knowledge and insights as well as practical experience.

The cross-cultural learning in the classroom is phenomenal as the programs have students from different countries and diversified cultures across various programs.

I am confident that this group of professionals will be the torchbearers of your organizations and I recommend them enthusiastically for your consideration.

Ms. Seema Mitra

Manager - Student Placement & Internship

University of Stirling and SQA,

RAK - UAE Campus

About the Institution

University of Stirling is a public University in Scotland, UK and has taken pride on its various achievements and laurels. It is ranked by the Quacquarelli Symonds (QS) consistently five stars in Teaching, Employability, Internationalization, Facilities, and Inclusiveness. We are an extended campus of University of Stirling in the emirate of Ras Al Khaimah, United Arab Emirates. University of Stirling, International Campus was launched in the year 2018, in Ras Al Khaimah, UAE to provide a world class education for the students residing in the United Arab Emirates. This initiative provides the students to be home here in the United Arab Emirates while pursuing an international degree of one of the prestigious Universities of the UK. Our RAK Campus enables our students to study the courses developed by the expert academics from the University of Stirling, UK, delivered internationally here in the UAE. At University of Stirling, RAK, UAE Campus we provide those programs that are in demand in the industry- both at the undergraduate and the graduate levels. Another important motive is to provide an affordable educational system while keeping our educational programs sustainable and quality assured.

The programmes we have will provide the necessary academic, technical and employability skills that the industries globally look for and in the United Arab Emirates we are positioned for just that. Pursuing a degree at our Ras Al Khaimah campus is not only much affordable in comparison to the UK but also provides a host of other benefits.

Campus Mentors

We take pride in our Faculty from various domains who have the best of both worlds, industry and academia. Most of our academic staff have received their Doctorates and few progressing toward their Post-Doctoral research. We also take pride in saying that all our academics are awarded fellowships at various levels (AFHEA, FHEA and SFHEA) by the Higher Education Academy, UK. To enhance a world class education system, we set up a Centre of Academic Excellence at our Campus (CAE). CAE is a think-tank for all the activities we pursue as teachers. This centre is to bring in the latest in all the areas of research pertinent to the taught curriculum at our Campus. Another significant objective of the CAE is to enhance and encourage self, peer and guided mentoring and to bring their results to the classrooms. Research and Excellence in everything we do became the core thought driver of CAE.

Clubs & Committees

Corporate Outreach Committee

The aim of Corporate Outreach Committee (COC) is to reach out to the industries globally through various guest lectures, workshops and seminars so students are exposed to real world transferrable skills. These formats can enable students to interact with professionals in formal and informal settings.

Publicity and Communications Committee

Our Publicity and Communication's main objective is to be the voice of the University and coordinate and support all marketing and communication related activities of the University of Stirling, RAK Campus. The prime purpose is to communicate: ideas, collective thinking and happenings of the academic institutions we represent and to build relationships with all the current and prospective stakeholders. Our Publicity and Communication's main objective is to be the voice of the University and coordinate and support all marketing and communication related activities of the University of Stirling, RAK Campus. The prime purpose is to communicate: ideas, collective thinking and happenings of the academic institutions we represent and to build relationships with all the current and prospective stakeholders.

Students Club

Students Club are attuned to help students get most of their experience while they are enrolled at the University for their academic pursuits. Activities under this club helps in students' transformation and holistic development in a big way as they aim in helping students to get involved and find their own niche on campus. The activities teach students practical lessons of life, making them not only job-ready but help them face the real world challenges.

PEW and ASPECT

Placement and Education Wing (PEW) is a body under the stewardship of students. All the activities of PEW are steered and managed by the students under the guidance and mentorship of academics and the Placement and Internship Manager. The objective of PEW is to be a catalyst with the responsibility of liaising with industries. PEW organises rigorous campus to corporate workshops at frequent intervals for all students as well as organises events to interface our students with the industry experts and other institutions of learning.

ASPECT (Arts Sports, Extra Curricular activities, and Culture) is a body which leads these facets of student affairs and from time to time manage various activities to enhance the holistic development of students.

Academic Centre of Excellence

Academic Centre of Excellence (ACE) is a dedicated space where students and faculty can seek advice and support from specialist staff and counsellors. They aim to develop basic skills like creativity, critically thinking, problem solving as well as academic, personal and social responsibility. Out life skills enhancement cell offers skills training to students, FDPs for faculty, pastoral support and tutoring sessions thus contributing to the growth and success of the institution at large.

Staff Welfare Committee

The Staff Welfare Committee (SWC) aims towards contributing to the welfare all the members of the institution by promoting a positive and supportive work environment. SWC plans various professional developmental activities as well as non-curricular activities that enhances the professional skills and knowledge and bring about unity and integrity among the staff members.

offered:**

Undergraduate Courses

- BA (Hons) Accounting and Finance
- BSc (Hons) Computing Science
- BSc (Hons) Management
- BSc (Hons) Software Engineering

Postgraduate Courses

- MSc Finance
- MSc Big Data

Placement and Education Wing

PLACEMENT & EDUCATION
WING

Placement and Executive Education Wing (PEW) is a student led body. The objective of PEW is to be a catalyst with the responsibility of liaising with industries and inviting them to the campus for campus placement and the students go through a rigorous selection process for which they will be groomed by PEW to face the interview panel. One of the focal components of PEW is to further our students' interests toward securing internships and job placements. Toward this PEW routinely liaises with Corporates, and Organizations to assess their skills and talent requirements and to map these with our best talents. Further, PEW organizes regular 'Campus to Corporate' events! This helps to make our students' transition to the real corporate world with much ease and efficacy.

Our brilliant students came up with a lot of brilliant ideas especially the ones where they had volunteered to run some of their initiatives on their own. Placement and Education (PEW) wing was one of them. PEW is a body of the students, for the students and under the stewardship of a students' managing committee. They liaise with the University Faculties for any guidance within its broad functions and framework.

Sectoral HR Forums (PEW Initiative)

We feel having an industry and academia interface will aid not just in building our network but as an avenue to meet industry experts to understand the best practices from various sectors and the expectations of the industry and assessing their hiring goals. Toward this, PEW organizes various sectoral HR Forums. These forums aid in enhancing student's awareness regarding the available career options and matching their career objectives in the most optimal manner. We have successfully conducted 5 sectoral HR Forums (Oil & Gas, Finance, IT, Health care, Retail & Supply Chain)

Advisory Board Members

We, at University of Stirling, RAK in our endeavor toward Academia – Industry interface have several industry partnerships for the benefit of our students, faculty, and the overall academic institution. These partnerships have benefited our students to transition from classrooms to corporate world with much ease and enthusiasm. In our pursuit of making the institution industry centric, we also encourage faculty to be part of the industry so they learn and immerse themselves to understand the nuances of the real world which thereafter can be transferred back to their classroom lectures.

Our sincere and heartfelt gratitude to all our advisory board members

BA (Hons) Accounting and Finance - Year 4

+971 54 548 5151 | ashreena2012@gmail.com

Work Experience: Placement & Education Wing 2020-21

I'm a 20-year-old studying at the University of Stirling, RAK alongside pursuing my professional CMA course. I'm a specialist in different sectors from a writer to an accounting student. Helping people in distress and motivating them is one of my best qualities. I'm continuously exploring my hidden talents as we got no limits to them. I thoroughly enjoy educating myself with both new and existing ideas to help me excel in all tasks for accomplishment. I am also skilled in comprehending people and resolving conflicts between groups, which is why I would like to begin with human resources, people-engaging, or administrative work. I will be devoted to my assigned position and the organization.

Allen James

BA (Hons) Accounting and Finance - Year 4

+971 50 701 4818 | allenjames0601@gmail.com

Work Experience: Being module representative at university

A proactive BA in Accounting and finance student at the University of Stirling. With strong academic achievement and volunteering experience. Possess strong leadership and communication skills. Keen to pursue a career in professional services with a focus on credit analysis and purchase and sales roles.

Fathima Faziya

BSc (Hons) Software Engineering - Year 4

+971 55 692 7904 | fathimafaziya16@gmail.com

Work Experience: Receptionist, Admin, Sales Associate

I am a highly focused software engineering student (currently completing my BSc Degree at the University of Stirling) Seeking a challenging career with a progressive organization that provides an opportunity to capitalize my technical skills and abilities in the field of information technology.

Alfin David

BSc (Hons) Software Engineering - Year 4

+971 54 747 6549 | alfdvdrd0@gmail.com

Highly motivated individual who is seeking opportunities to sharpen existing skills as well as learning new skills. Able to work in busy environments and follow instructions of every level, producing quality work. I am an excellent team worker and good at building a good working relationship with my colleagues.

Anusree Balakrishnan

BSc (Hons) Software Engineering - Year 4

+971 56 159 7472 | anusreebalakrishnan@hotmail.com

Work Experience: Volunteer at an educational fair

An individual who is strongly focused to complete tasks in a fast paced environment. I am a great team player and a hard working individual who is always seeking opportunities which will help me to grow as an individual. My personal strengths include being open to constructive feedbacks and working towards the goal at any circumstances.

I have keen interests in IT related topics like data science and AI.

Kevin Poly

BSc (Hons) Software Engineering - Year 4

+971 56 451 2524 | kevinpoly24@gmail.com

Work Experience: Sales for Fortune7 printing and advertising

I am a hardworking and trustworthy person. I am always effective and efficient and always willing to learn something new. I am able to work well independently in hectic environments and also within a team setting.

Areeba Zia

BA (Hons) Accounting and Finance - Year 4

+971 56 160 5296 | areebashines15@gmail.com

Work Experience: Accounting and Digital Marketing Intern

Mango DXB Dubai UAE (Online Business) 06/2021 -11/2021

Awards: My Stirling Award - Bronze (In Progress)

Skillful and Dynamic Accounting and Finance 4th year student with demonstrated capability to provide comprehensive Accounting and Administrative support. Academically skilled in Financial Accounting, Management reporting , Month End Reconciliation , Rectify Discrepancies and ability to offer support with Accounting and Financial queries .I would like to associate within a progressive organization which will allow me to utilize my skills and knowledge to contribute positively to be the best of my abilities for the growth of the organization and for my personal career growth.

Josiy Varghese

BA (Hons) Accounting and Finance - Year 4

+971 52 979 7395 | josiy78@gmail.com

Work Experience: Worked as a intern in adidas, Hilton and in a trading company and has an experience of 1 year altogether

Ready to work in competitive field and bring a change for better. I believe in quality than quantity; more output with less input as time and tide waits for none especially in this competitive world. Working as an intern helped me learn how to work in a competitive field and how to bear up the pressure from head of the departments.

Fatima Fiesta Shamsul Alam

BA (Hons) Accounting and Finance - Year 4

+971 50 660 6151 | fatimafiesta1223@gmail.com

Work Experience: Marketing Intern - University of Stirling, RAK

An Accounting and Finance student at University of Stirling looking for an organisation to apply and develop the hard skills I have learnt from my undergraduate while also enhancing my acquired skillset. I have completed CMA (Part 1). I am an organised person that enjoys learning new things and is always up for a challenge. I have developed efficient time management, leadership, critical thinking, and decision-making skills from my time served as the Student Council President in both High School and University. Being a marketing intern has taught me to be flexible by expecting the unexpected. I also learned how to effectively communicate with clients and peers alike and how to deescalate tense situations. My aim is to develop new soft skills while learning to navigate the corporate world and to be an asset to the company by making active contributions.

Mohamed Marzook

BA (Hons) Accounting and Finance - Year 4

+971 50 736 3321 | arfarook@gmail.com

Work Experience: Byju sales promoter

A proactive B.A Accounting and Finance student at university of Stirling, Experience in using Microsoft excel and Excellent knowledge in accounting basic. I Understand myself as a hardworking, dedicated and committed who can easily adapt to any environment. I promise that I will give my 100% in the work and do my best to the working organization

Sahyog Shetty

BSc (Hons) Computing Science - Year 4

+971 56 261 7461 | sahyogshetty12@gmail.com

I am a final year computer science student who is self-motivated and dedicated with a knack for creating elegant and optimal solution within the turn-around time. I am currently seeking an opportunity that will allow me to utilize my problem-solving skills and attention to detail to further develop my abilities in the field of computer science.

Seddeeqa Mohamed

BSc (Hons) Management - Year 3

+971 50 494 2865

I am a person who is passionate, self-motivated, reliable, responsible, & hardworking. I can operate well in a team setting as well as on my own initiative.

Shahid Shihabudheen

BSc (Hons) Management - Year 3

+971 56 205 2321 | shahidshihabudheenmh@gmail.com

Work Experience: Administrative Assistant

A motivated student who can organize and control any situation that exist within an organization. Also offering outstanding Management skills and Leadership abilities. Advanced education and training in Business Management with BSc (Hons) Management Degree from University of Stirling. Served as an administrative assistant in a well-established business. Eager to apply learned competencies in practical, business setting.

Farhan Ali

BSc (Hons) Management - Year 3

+971 54 310 3435 | fa.ali3862@gmail.com

Work Experience: Sales Executive at Al Qasr Electronics & online seller at Al Qasr Electronics

A business management student at university of Stirling, I have learned a lot of things in my journey in the university. I am the Chief Executive of ASPECT. This taught me how to do proper planning, handle situations, and manage people in demanding situations. My field of interest is e-commerce and drop shipping and I have already gone into that field by the help of knowledge gained from university of Stirling. My aim is to study the market and apply my theoretical knowledge gained from university of Stirling to enhance my experience.

Maalavikaa Pradeepan

I am currently a third-year Bsc Management student and I reside in Ras Al Khaimah. I want to make the most of my abilities and qualities, take on challenges, and work as a member of a team to improve the lives of others and help an organization realize its full potential.

Muhammad Hussnain (Hassan)

BSc (Hons) Management - Year 3

+971 50 123 4153 | hassanofficialx@gmail.com

Work Experience: Assistant Accountant, Al Jarman Building Maintenance

My name is Muhammad Hussnain (Hassan), I am 22 years old, I am from Pakistan and I have done 2 years of diploma in business with accounting and currently, I am doing bachelors in BSc Hons management 3rd year.

Nuha Mazeen Iftikhar

BSc. Management Hons - Year 3

+971 50 450 2614 | nuha12iftikhar@gmail.com

Work Experience: Assistant Teacher (Summer Camp)

Al Manar Tarbiya Weekend School

Internships: - Content Editor - PCC (Publicity & Communications Committee: The Voice) University of Stirling, Ras Al Khaimah - June 2022 - Present

Awards: My Stirling Award - Bronze - University of Stirling (April 2022)

I am a third-year student pursuing a BSc in Management at the University of Stirling Ras Al Khaimah Campus. I am always up for new adventures and learning new things. I am also an aspiring cake artist; I bake because I enjoy seeing people's faces when they take their first bite and discover that it tastes as delicious as it looks. I also take part in volunteering activities and enjoy the idea of adding value to people's lives and having a positive impact on the world through my work. I'm constantly on the lookout for opportunities to use my academic knowledge in a business setting.

Simran Kaur

BSc Management - Year 3

+971 56 903 0159 | simrankalsi.09@gmail.com

My name is Simran Kaur and I'm currently enrolled in University of Stirling with the course of bachelor's in management year 3. I've learned a lot of theory and ready to apply those theoretical concepts in real life business practices. While I have no experience, I'm willing to learn in the fields of business.

Umar Ahmed Khan

BSc Management - Year 3

Shifa Shaikh

BA (Hons) Accounting and Finance - Year 4

+971 52 808 5740 | shifashaikh0209@gmail.com

Work Experience: Member of Events Committee at Institute of Management Accountants, Dubai (IMA)

Competent, motivated, and enthusiastic accounting and finance student. I consider myself to be a leader who learns new things quickly and who is extremely passionate about accounting. I obtained knowledge about "xero" while working as an accounting intern. Being an IMA member and an SEO at the university increased my adaptability and enhanced my communication abilities. Currently finishing up my undergraduate studies while pursuing the CMA. By being a part of the organization and working in the Accounting and Finance department/industry, I would like to demonstrate my abilities and knowledge.

Mohammed Bilal Ahmed

BA (Hons) Accounting and Finance - Year 4

+971 54 312 4758 | bilalshareef2004@gmail.com

Work Experience: Adidas (Promotion), MI phones (Promotion) and Al Ali food merchandiser (Training)

I'm mature team worker and adaptable to all challenges situations i am able to work both in team environment as well as own initiative

Avi roney

BSc (Hons) Management - Year 3

+971 56 555 3834 | awiironey63@gmail.com

Work Experience: Sales Promoter (Adidas) | Sales Promoter (Threads Uniform) | Consultant (PWG Group)

I consider myself to be a disciplined, well-focused, and kind person. I give the task I'm given my entire attention, and I make an effort to finish it on schedule. I am outgoing and enjoy talking to others to learn about their perspectives and provide assistance as needed. I enjoy listening to podcasts and learning about the people's lives and their hardwork.

Zeshan Bashaw

BSc. Computing Science (Hons) - Year 4

+971 55 591 8484 | zeshanbashaw@gmail.com

Work Experience: Mai Dubai 30x30 Dubai ride volunteering, Volunteer at an event management company (Rush-A-Way Events)

I can confidently say that I am well disciplined, intelligent, and hardworking towards my goals. I have keen interest in topics surrounding IT and anything that would challenge my potential. Few of my personal strengths would include being active and an outgoing individual with great sense of humour. I am always open to constructive feedback which would help me grow as a learner and help me improvise towards my professional journey.

Zeeshan Zahir

BA (Hons) Accounting and Finance - Year 4

+971 55 405 5663 | zzc00001@students.stir.ac.uk

**Work Experience: Sales Promotor (Byjus) | Sales Promotor Threads)
Sales Promotor (Addidas)**

Hi, my name is Zeeshan and about myself I'm from Mumbai, India. My main goal to work at the start was to see how the working field takes place and then as I started working I understood the value of money and how hard it can be to earn that hard earned money. Once my desire was set to keep on working and just to get experience I kept on applying for jobs and got hand of 3 thankfully. All my previous jobs were sales promotion so my future plan is to go try for something big but am still planning to go for business related future jobs. Thank you.

Mariyam

BSc (Hons) Management - Year 3

+971 52 733 5761 | mariyam.ahmedali@gmail.com

Future Events

At Stirling, RAK, through our various clubs and committees, we endeavor to be in constant touch with our various stakeholders; industry and students through various events such as HR Forums, panel discussion, domain specific industry magazines, guest lectures, job fairs, placement week to name a few.

University of Stirling's Inter University Football Tournament – 13th and 14th March, 2023

1st RAK - Stirling Football aims to create a global platform for sporting excellence. 18 universities, one ball, one goal to the championship Cup 2023. University of Stirling, RAK, is organizing the first inter university football

championship in association with organising partners RAKEZ, RAK Tourism, RAK police, and the voice partners Radio 4 and media partners Khaleej Times.

Placement Drive

Placement of students for jobs or internships is a crucial part of an individual's academic journey. University of Stirling, RAK conducted a weeklong Employability Skill drive to prepare students for the professional world.

will have the opportunity to engage with various organizations and companies and showcase their skills and capabilities.

The university is now ready for the placement drives to be held for the students from different organizations. Working on this mission, we are starting with the placement drives from 13th March 2023, where students

We would like to invite companies for recruiting the students from our campus. We have talents from Accounting & Finance, Computer Science, Software Engineering, and Management.

We urge industry professionals and students to be part of these committees.

Should you wish to be part of our events, please get in touch with us on the below coordinates:

For Industry Spectra, Skills Enhancement - **Ms. Shanthi Menon @ shanthi.r@stir.ae**

For Guest Lectures, Industry visits - **Dr. Shamik Palit @ Shamik.p@stir.ae**

For Placements and Internships - **Ms. Seema Mitra @ Seema.mitra@stir.ae** or **Ms. Jimy @ J.mathew@stir.ae**

Be a part of Stirling's Life – Skill Enhancement Cell which offers skills (academic and soft skills) training, pastoral support and, tutoring sessions, and industry exposure for students.

BE STIRLING

at Ras Al Khaimah Campus

About Ras Al Khaimah

Ras Al Khaimah (RAK) is the fourth largest and most northern emirate in the United Arab Emirates (UAE).

It's home to our University of Stirling RAK campus.

With 7,000 years of fascinating history and culture, magnificent landscapes and rich, terracotta desert plains, the emirate has something for everyone. Bordered by Oman on the south and northeast, it also shares a border with the emirates of Umm Al Quwain, Fujairah and Sharjah, as well as boasting a coastline that extends for 64 kilometers.

Proud of its heritage and founded on strong local values, RAK is popular with UAE nationals, expatriates, foreign investors and tourists alike. Only 45 minutes from the hustle and bustle of Dubai, the emirate has fantastic travel links to the airport and national highway, which enables easy access to other regions. RAK offers a wide range of activities, including water sports, sailing cruises, desert camps, golf courses and mountain adventures that present the ultimate outdoor experience for residents and visitors.

RAK is a very friendly and inexpensive place to live and plays host to a variety of industries and hospitality establishments. Students at the University of Stirling, RAK, benefit not only from learning from committed academics but also enjoy an amazing quality of life, combined with the opportunity to gain experience through internships and placements.
